

Kendriya Vidyalaya GC CRPF Bantalab

e-Newsletter

Session 2022-23

From Principal's Desk

I am glad to acknowledge that KV BANTALAB is releasing newsletter for the session 2022-23, showcasing the scholastic and co-scholastic activities and achievements of the vidyalaya during the 1st term of the academic year. The newsletter is like a vast canvas on which the students paint with skillful strokes and vivid colours with their innovative and creative artistic expressions in the form of art, poetry, write ups etc. We hope that our readers will find a perennial source of joy to see the buddies in their natural action.

I congratulate all the students, staff and editorial board members, for their commendable efforts and for being a part of this successful venture and hope that this will be an ongoing process.
